Words by Sean Miller

Recorder

Come dru-ids all o - vat - tes and seers. And let your minds be  
still. Earth, sea, and sky will lend no fears. As the  
gods re - veal their will. Let ev - ry heart sing praise to them. And  
all our works be skilled. Claim - ing our bless - ings to the ver - ry end As the  
Gods re - ve - al their will.
