

### **Manannan Invocation**

Manannan mac Lir, Lord of the Sea  
Captain of Wave Sweeper, naught of sail  
Heed us and join us now  
You have helped us navigate the ways  
As you navigate the seas  
You have garded our well  
As you would guard your own Waters  
You have watched over our our gateway  
As you would guard your own mast  
You have protected us as you would you own crew  
You have honored us by choosing us  
We offer you our heartfelt thanks and praise  
[and offering if appropriate]  
We submit to you, our Captain  
Manannan mac Lir, Lord of the Sea
