

## Nature Spirits

Oh, Nature Spirits who inhabit the world

Look upon us with kind eyes.

Help us care for Your world.

## Dii Familiaris

Dii Familiaris guard the home –

Forculus, the door

Limentinus, the threshold

Cardea, the hinges

God Janus, the comings and goings.

So many protecting the family

So many the family honors

We give, They give, we give.....

Round, round, round,

In a circle of hospitality
