PRE-RITUAL BRIEFING - (___Kirk___) - *Once the folk have gathered, a short overview of our cosmology and intentions of ritual is given.*

The folk wait outside of the ritual space as the following takes place:

OUTDWELLERS

Presiding Druid (___Isaac___) **says:**

Let us now make offering to those Spirits outside our Ken, that they trouble us not. Please look away, so that we do not form a relationship with the Outdwellers.

Outdwellers Offering - (___Jack___) *holds beer with left hand, and looks away. When the charm is done, the bottle of beer is left behind to be poured out later.*

O, You of malice or indifference,
This place is sacred to our Gods,
Defended by Their love and might -
But your hard lessons make us strong,
And teach us wisdom true.

We have a beer to give you now -
Please take it graciously.

(sets beer on the ground)

And in return we ask of you
To give us peace this special day (pause)

To stay beyond our sounding drums (pause)

And trouble not our Rite.
So be it!

All: So be it!

*** MUSICAL SIGNAL * (___Isaac___)**

(The Presiding Druid rings a bell three times three, then says:)

Kindreds! We will meet You in the Sacred Center when we open the Gates
to the Other Worlds.

So be it!

All: So be it!

***EARTH MOTHER* (___Linda___)**

(Oats and Corn are given to the offering bowl after the invocation is spoken.)

Earth Mother, we show you honor!

(Everyone kneels and kisses the floor)

Offerings we make to You, O Mother of us all!
We offer oats, the grain of ancient Europe.
We also offer corn to you, the fruit of this new land.

Earth Mother Columbia, accept our sacrifice!

All: Earth Mother Columbia, accept our sacrifice!

INSPIRATION (Meredith) as Bard

Presiding Druid says:

Let us now call our Ancestor, the great poet, Emily Dickenson, to grace us with her presence and to grant us inspiration for our rite.

Bard:

“You cannot put a fire out;
A thing that can ignite
Can go, itself, without a fan
Upon the slowest night.”

(By Emily Dickenson)

Bard says:

Emily!

Poetess!

Ancestor!

Prolific Lady of visions clear!

Grant us your favor,

Join our celebration,

Bless us with the fire of your boundless inspiration!

Lady Emily, accept our sacrifice! (*gives hazelnut oil to the 'fire'*)

All: Lady Emily, accept our sacrifice!

PURPOSE AND PRECEDENT

Presiding Druid says:

Children of the Earth, we are here to do as our Ancestors did, to make our sacrifices to the Kindreds and to receive Their blessings in return.

On this weekend of celebration for our American Presidents, we wish to honor and worship our Founding Fathers and those of our land who have shaped us to be a great nation on this Earth.

And so we call upon this Power of the Thirteen colonies which joined together as one folk to form this land of freedom and liberty. May it always be so.

Now let us also join together to make our sacrifices in joy and reverence.
So be it!

All: So be it!

Gods and Goddesses of this great Land; Mighty Ancestors, noble and true;
You Nature Spirits who live all around us -

(Presiding Druid raises whiskey and bread)

Mighty Kindreds!

May our piety increase Your magic,
May our courage increase Your power,
And may our fertile spirits show the world Your abundance!

Mighty Kindreds all, accept our sacrifices!

(Presiding Druid gives the whiskey and bread to the offering bowl)

PIACULAR SACRIFICE (____Kirk____)

If out of ignorance or faulty memory,
If we for any reason have offended you,
O Kindreds of our People,
Hear us now.

Accept this offering as recompense,
And know that our intents, and hearts, are pure.

So be it.

(Kirk offers whiskey to the bowl by the Fire)

THE OMEN (____Meredith____)

PD says:

Seer, what wisdom and blessings do the Kindreds offer us in return for our sacrifices?

(Seer leads the Folk in an intoning or sings a charm. When this is done, the Seer pulls and pronounces the Omen)

THE RETURN FLOW

PD says these or other words:

Children of the Earth, all that we have done before has led up to this moment.

The Calling

(Presiding Druid holds the cup in front of him)

Mighty Kindreds! O Ancient, Noble and Shining Ones! We have made our sacrifices to You, and now we ask for Your blessings in return.

The Hallowing

(Presiding Druid raises the Cup high)

Hallow these Waters! Grant that we may be filled with magic, power and abundance as we drink of Your essence.

Ancestors, we ask You,
Give us the Waters!

All: Give us the Waters!

PD says:

Nature Spirits, we ask You,
Give us the Waters!

All: Give us the Waters!

Shining Ones! Once more we ask,
Give us the Waters of Life!

All: Give us the Waters of Life!

(Presiding Druid slowly lowers the Cup, seeing the Power of the Kindreds filling it as he does so)

PD says:

Behold, the Waters of Life!

(The Presiding Druid asperges the People with the Waters, while all sing)

Chant – We Are a Circle Moving (© Marae Price) Led by Nora and Meredith.

We are a circle moving,
One with another, we are

Moving together, we are one!

We are a circle moving,
One with another, we are
Moving together, we are one!

I am Spirit and I flow in You.
You are Spirit and You flow in me.

We are a circle moving,
One with another, we are
Moving together, we are one!

(Repeat as necessary until all have been asperged – PD cues end of chant)

The Affirmation

PD says:

Children of the Earth, do you accept the gifts of the Kindreds? Yes or no?

All: Yes!

PD says:

As do I.

THE WORKING (___Kirk___)
(Chaos Magic Sigil Working)

PD says:

Now let us do our working.

(___Kirk___) **says:**

Children of the Earth, now that we have been filled with the blessings of the Kindreds, we are at our most powerful.

The original Thirteen Colonies, the great Power of Thirteen, when they came together as a nation, decreed that there should be no state religion. Since then, we have erected a wall between church and state, to protect us all.

We, as Pagans, see those forces in our country that would try to weaken

these religious freedoms inherent in our Constitution. Let us use our wills to hinder their efforts.

Does this sound like a plan?

(assuming all agree, Kirk continues)

These stones you have received here will be charged during our working. When the rite is done, take it home, and keep it safe, to remind you of what we do here.

So let us make a sigil working now. We shall form a nonsense chant out of our intent and release our power into the cosmos, but when we are done, we all must forget the chant and intent, so that our magic can flow freely through the cosmos, unhindered by our thoughts.

Children of the Earth, is it your will that this be done?

All: It is!

(Kirk) **says:**

Our target shall be the statue of Freedom on the top of the Capitol building in Washington D.C., that we may recharge it as a talisman.

This is our intent: We will that religion remain free.

This is our pathway: We will be honest about who and what we do.

And this is our chant: WEL IN ROF GAM

Now let us begin!

(Kirk goes to the center, chanting and spinning, as those celebrants, the Spinners (Meredith, Linda and Nora), who are able, walk clockwise around him, teaching the chant to the people. When the chant has firmly grabbed hold, the Spinners also start spinning. They carry the power raised by the people and feed it to Kirk. When he reaches gnosis, he will shout and fall to the ground. The Spinners then release their power, shout, and fall to the ground also.)

The shout: Liberty!

THANKING THE BEINGS

(Normally, the person who called on the Spirit shall then thank that Spirit)

PD says:

Children of the Earth, we have done as our Ancestors did – we have made sacrifice and received our Kindreds' blessings. But as we prepare to depart, let us give thanks to Those who have aided us.

(Ogham) **says:**

Justice! Freedom! Commerce! Liberty! Gods and Goddesses of Elder Days, we thank You!

All: We thank You!

(Anne) **says:**

Spirits of this mighty Land, we say, we thank You!

All: We thank You!

(Dennis) **says:**

Washington, Lincoln, Rosa Parks, all our Ancestors, we say, we thank You!

All: We thank You!

(Meredith) **says:**

Emily Dickenson, great American poet! For granting us inspiration for our rite, we say, we thank You!

All: We thank You!

(Nora) **says:**

Liberty, we make another offering to You.

(whiskey is offered to the Offering Bowl)

We thank you for Your help, for joining Your magic with ours, that we might access all the Worlds. And now we ask for Your aid in ending that which we have done.

CLOSING THE GATES (___Kirk___)

The Celebrants lead the People in chanting:

Close the Gates! Close the Gates! Close the Gates.....

(___Kirk___) **says:** (ADF traditional)
(He spins clockwise with his staff)

Let the Fire be flame!

Let the Well be water!

Let the Tree return to the Midworld!

Let the Gates be closed!

All: Let the Gates be closed!

(___Kirk___) says:

Children of the Earth, once more we are nestled in the Midworld and in the arms of Mother Earth.

So be it.

THANKING THE EARTH MOTHER (___Linda___)

Mother Earth, for upholding the World and granting us Your blessings, we say, we thank you!

All: We thank You!

GROUNDING AND CENTERING

PD says:

Seer! Great power has been raised this day. Please ground us all once more.

(The Seer reverses the Two Powers and grounds the People)

ENDING THE RITE

The Musical Signal

(Presiding Druid rings the bell 9 times)

PD says:

Walk with wisdom, Children of the Earth, this rite is ended!

PD shouts:

*Ghosti!

All: *Ghosti!
